- Non-handed design
- Easy transition
- Available in both single-point and multi-point version

Traditional single-point locking handle  
(Euro White Shown)

## Colors & Finishes

### POWDER-COATED

A process that involves applying a dry powder to a surface and then heating until it melts and forms a smooth, durable coating. It provides a protective layer that resists corrosion, fading, and chipping.

152 Euro White	179 Blue White	185 White	300 West Coast White
191 Beige	310 West Coast Beige	122 Sahara Beige	
101 Cocoa Brown	112 Bronze	113 Chestnut Bronze	161 Coppertone
114 Sandstone	119 Silver	087 Gold Tone	105 Clay
FB Faux Oil Rubbed	131 Black	132 Matte Black	

### PLATED

Involves electroplating a metal layer onto a surface with chemicals mixtures. Much less resistant to chipping and scratches than powder coated. Metal plating can be environmentally harmful and costly due to the use of toxic chemicals, high water and energy consumption, waste generation, and maintenance costs. Alternatives such as powder coated provide similar benefits with fewer environmental impacts and lower costs.

117 Satin Nickel	118 Antique Brass	120 Bright Brass	115 Brushed Chrome
200 Brushed Nickel	210 Brushed Silver	135 Polished Chrome	

## Ordering information

Replace the **XXX** by desired color or finish number.

ITEM #	DESCRIPTION	BOX QTY.
PO-2501-XXX	Traditional multi-point locking handle	50 each
PO-A2501-XXX	Traditional single-point locking handle	50 each

The perception of colors by the human eye varies from one individual to another. Colors and finishes shown above are for illustrative purposes only and should be used solely for general guidance. **Actual colors and finishes may vary depending on the shape of the product, its composition, and the brightness of the light to which it is exposed.** Contact a Radisson Industries representative for an actual sample and stock availability. **Plated decorative finishes may be subject to longer lead times, delays, and minimum order quantities due to the complex nature of the plating process.**
